Engine type	Gasoline
Weight without access. (kg)	-
Dimensions (L x W x H) (mm)	593x550x630

Gasoline pressure washers

## **G 2500 OH**

**makes a difference**

---

### **Details**

#### **Description**

For users that appreciate the independence from electrical supply. This class features models that are true all-round performers with exceptional power.

---

#### **Application**

Cleaning in areas where it is necessary to perform cleaning operations independently of a power supply, e.g. for cleaning trucks, trailers, boats, pools or driveways.
