Details

Description

Kärcher's IC 15/240 W Adv street cleaning machine is designed for fast and effective spot cleaning in public areas. Featuring a large diameter suction tube, bulk waste flap, kerb climbing kit, flashing beacon and 240 litre wheeled waste bin the machine collects leaves and street litter quickly and safely. The IC 15/240 W Adv's simple controls and reliable Honda petrol engine with fuel capacity for 6-7 hours use make the machine easy to operate and highly productive.

Application

Local Councils Industrial Cleaning Cleaning Contractors Janitors Hotels Shopping Centres

Features & Benefits

-Electric Start -Simple, single hand operation bar for controlling speed and direction -Kerb climbing kit
-Automatic parking brake via hydrostatic axle -240 litre wheeled waste container for easy emptying -Low noise emission due to double walled cover -2.5m hose and bulk waste flap for large objects -Filter shake system for easy, clean filter cleaning without stopping

For easily monitoring service and maintenance intervals

Order no. 6.681-088.0

Accessories for IC 15/240 W

Holding device for rubbish bags

Easy filling and removing rubbish bags

Order no. 2.850-845.0

Oil sensor

Oil sensor for easy oil level monitoring.

Order no. 2.642-120.0

kerb climbing aid

For easy manoeuvring kerb stones up to 150 mm height

Order no. 2.850-883.0

Batteries and chargers for vacuum sweepers with internal combustion engines

Battery

Starter battery

Order no. 6.970-147.0

Charger

For charging the batteries

Order no. 6.654-083.0

Miscellaneous

Fine dust filter (kit)

For dust-free operation

Order no. 2.850-832.0

360° warning beacon

For increased safety

Order no. 2.850-833.0

Blow tube with parison

For blow-sweeping leaves and light debris

Order no. 2.850-831.0

Caster for 100mm suction tube

For versatile, fatigue-free operation

Order no. 2.850-834.0

Suction hose, 125 mm

For picking up bulky items (incl. caster 2.850-840.0)

Order no. 2.850-839.0

Filter element

Suitable for fine dust filter 2.850-832.0

Order no. 5.731-631.0
