Details

Description

Powerful cleaning of heavy soiling and frequent use, where high demands are made on the unit and its cleaning performance. Comprehensive selection of equipment features for all-round convenience and fast working.

Application

For frequent use around the home. Cleaning of moss-covered and large dirty surfaces like facades, patios and drive-ways as well as washing vehicles.

Features & Benefits

Totally enclosed by high-impact plastic cover Protection from dirt and damage, free of corrosion, impact resistant, recyclable Air-cooled asynchronous motor Powerful, tried and tested thousands of times Three piston pump (axial) Matured pump technology, optimum efficiency, maintenance-free Aluminium pump High life expectancy and good resistance against corrosion Safety valve Protects the unit from pressure exceeding Motor-Stop Machine stops, when gun is closed, relieves high pressure system and motor Large on/off-switch Easy to handle High-pressure hose with protective rubber sleeve Ergonomic gun design with Quick Connect Enhance operator comfort, fatigue-free working and easy hose handling Mobil function Easy transportation and maximum mobility Detergent tank Convenient usage of detergents TÜV-tested, GS safety approval High safety and quality standard Accessory storage Storage of accessories at the unit – no need to search for attachments

Accessories

Accessory kits

Window and conservatory cleaning kit

Kit for cleaning and drying outdoor windows and conservatories. Consists of soft large surface brush, vario joint and three-stage spray lance extension for cleaning high, difficult-to-reach areas without a ladder. Comes with a wiper for drying glass surfaces. Wiper connects to Kärcher trigger gun and spray lance extensions, with low-pressure fan jet nozzle for applying detergent and clear-rinsing windows. Suitable for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class. Available in an appealing gift package.

Order no. 2.640-771.0

Motorbike cleaning kit

Kit for cleaning motorbikes, scooters, mopeds and bicycles. Short two-way spray lance, wheel washing brush and 500 ml bike cleaner. Short two-way spray lance with low-pressure fan jet and soft high-pressure fan jet enables gentle but thorough cleaning without damaging sensitive parts and simplifies cleaning of difficult-to-reach areas. Suitable for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class. Using the Kärcher garden hose adapter wash brushes can also be used with a garden hose. Available in an appealing gift package.

Order no. 2.640-786.0

Car cleaning kit – exterior

Kit for cleaning car bodywork. Rotary washing brush, soft washing brush, 10 detergent tablets, chamois-leather. Suitable for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class. Washing brushes can also be connected directly to a garden hose with the Kärcher garden hose adapter.

Order no. 2.850-472.0

Garden cleaning kit

Kit for cleaning around the house and garden, such as garden furniture or roller shutters. Kit consists of a Soft Washing brush, 10 detergent tablets and a water filter.

Order no. 2.850-475.0

K 5.55 Jubilee T 400

Brushes and cleaning sponges

Hard-surface cleaning sponge

The cleaning sponge excels through a soft, water-permeable sponge which dissolves and flushes away dirt. Cling strip fastener for easy replacement, good detergent absorption and distribution. Working width of 248 mm for good area coverage, all-round protector ring protects surfaces from scratches, a union nut guarantees secure mounting to the trigger gun, integral rubber pad removes stubborn soiling, e.g. insects, and an ergonomically shaped handle for convenient operation. Suitable for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class and for using it with the garden hose in conjunction with the adapter for garden hose connection.

Order no. 2.640-606.0

Universal cleaning sponge

The cleaning sponge excels through a soft, water-permeable sponge which dissolves and flushes away the dirt. A cling strip fastener provides for good detergent absorption and distribution. An all-round protector ring protects surfaces from scratches. A union nut guarantees secure mounting to the trigger gun. A rubber pad removes stubborn dirt, such as insects, an ergonomically shaped handle ensures easy and convenient handling. Suitable for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class and for using it with a garden hose in conjunction with an adapter for garden hose connection.

Order no. 2.640-607.0

Rotary wash brush

For cleaning of all smooth surfaces like varnish, glass or plastic. Gentle-action rotating bristles, joint on handle infinitely adjustable through 190° for cleaning difficult-to-reach areas, infinitely adjustable speed and cleaning agent control, easily replaced bristle element, all-round protector ring protects surfaces from scratches, a union nut guarantees secure mounting to the trigger gun. Accessory for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class.

Order no. 2.640-907.0

Wheel washing brush

For highly effective 360° cleaning. Shape and all-round bristles make it particularly suitable for difficult-to-reach areas and small recesses, such as wheels and bicycle spokes. Special features of the brush are the uniform 360° water distribution for dissolving and flushing away the dirt, quality bristles for efficient and gentle-action cleaning, a union nut for secure mounting to the trigger gun and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-699.0

Soft surface brush

Particularly suitable for cleaning larger surfaces, such as cars, caravans, boats, conservatories, roller shutters. The brush features soft, gentle bristles, a working width of 248 mm for good area coverage, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the trigger gun, a rubber pad for removing stubborn dirt, e.g. insects, and an ergonomically shaped handle for easy and comfortable handling.

Order no. 2.640-590.0

K 5.55 Jubilee T 400

Brushes and cleaning sponges

Universal soft brush

Suitable for cleaning all surfaces, such as garden furniture and glass. The brush features soft, gentle bristles, an all-round protector ring which protects the surface from scratches, a rubber pad for removing stubborn dirt e.g. insects, a union nut for secure mounting to the trigger gun and an ergonomically shaped handle for easy and comfortable handling.
