---

## Optional Accessories

### Accessory kits

#### Garden cleaning kit

Kit for cleaning around the house and garden, such as garden furniture or roller shutters. Kit consists of a Soft Washing brush, 10 detergent tablets and a water filter.

**Order no. 2.850-475.0**

### Brushes and cleaning sponges

#### Universal soft brush

Suitable for cleaning all surfaces, such as garden furniture and glass. The brush features soft, gentle bristles, an all-round protector ring which protects the surface from scratches, a rubber pad for removing stubborn dirt e.g. insects, a union nut for secure mounting to the trigger gun and an ergonomically shaped handle for easy and comfortable handling.

**Order no. 2.640-589.0**

#### Soft surface brush

Particularly suitable for cleaning larger surfaces, such as cars, caravans, boats, conservatories, roller shutters. The brush features soft, gentle bristles, a working width of 248 mm for good area coverage, an all-round protector ring which protects the surface from scratches, a union nut for secure mounting to the trigger gun, a rubber pad for removing stubborn dirt, e.g. insects, and an ergonomically shaped handle for easy and comfortable handling.

**Order no. 2.640-590.0**

#### Wheel washing brush

For highly effective 360° cleaning. Shape and all-round bristles make it particularly suitable for difficult-to-reach areas and small recesses, such as wheels and bicycle spokes. Special features of the brush are the uniform 360° water distribution for dissolving and flushing away the dirt, quality bristles for efficient and gentle-action cleaning, a union nut for secure mounting to the trigger gun and an ergonomically shaped handle for easy and comfortable handling.

**Order no. 2.640-699.0**

#### Rotary wash brush

For cleaning of all smooth surfaces like varnish, glass or plastic. Gentle-action rotating bristles, joint on handle infinitely adjustable through 190° for cleaning difficult-to-reach areas, infinitely adjustable speed and cleaning agent control, easily replaced bristle element, all-round protector ring protects surfaces from scratches, a union nut guarantees secure mounting to the trigger gun. Accessory for all Kärcher Consumer High Pressure Cleaners of the K2 - K7 class.

**Order no. 2.640-907.0**

## Hard surface cleaners
