Vacuum sweepers walk-behind

## KM 85/50 W P (Petrol)

---

### Details

#### Description

The KM 85/50 W P is perfect for high performance outdoor cleaning with its high capacity and long run time. With an efficient and powerful 3.3kW Honda petrol engine, the machine is ideal for cleaning various floor types including asphalt, pavements, concrete and hard floors.

---

#### Application

- Manufacturing and industry - Hotels - Logistics - Car parks - Contract cleaners - Councils

---

#### Features & Benefits

- Run time of approx 4 hours on a single tank of fuel.
- Floating main roller brush to suit various floor types.
- Powerful drive allows sweeping on gradients up to 18%.
- Overthrow principle allowing the 50 litre waste container to be filled to virtually full capacity.
- Fine dust not collected in the waste tank is extracted by the vacuum system and retained in the washable pleated polyester filter.
- Variable forward travel speed up to 4.5 km/h.
- Retractable right side brush sweeps dust and dirt from corners and awkward areas into the path of the main roller brush.
