Filter area (m ²)	4
Weight (kg)	220
Weight, ready to operate (kg)	-
Dimensions (L x W x H) (mm)	1635x980x1260

Details

Description

The KM 90/60 R P is designed for low cost, high performance outdoor cleaning. Its tight turning circle and excellent visibility make the 90/60 suitable for sweeping in confined areas and aisles. Ideal for cleaning various floor types including asphalt, pavements, concrete, and hard floors. With an efficient Honda petrol engine, the machine offers area coverage of up to 7200m² per hour. The machine has a working width of 900mm as standard (1150mm with the optional second side brush) and a waste capacity of 60 litres.

Application

- Manufacturing and industry - Hotels - Logistics - Car parks - Contract cleaners - Councils

Features & Benefits

- Side brush with adjustable contact pressure for cleaning up to kerbs/edges
- 20 litre waste container with ergonomic carry handle
- Adjustable push handle, which folds flat for easy storage
- Built-in fine dust filter
- Main roller brush with height adjustment
